

SERA L. YOUNG

1819 Hinman Avenue, Evanston, IL 60208 :: T 607.351.0172
sera.young@northwestern.edu :: www.serayoung.org :: @profserayoung

MAJOR PROFESSIONAL INTERESTS

I am an applied nutritional anthropologist who explores how vulnerable populations, especially women and children, adapt to challenges to their health and well-being.

Keywords: Nutritional anthropology; medical anthropology; global health; international nutrition; maternal and child nutrition; pica; food insecurity; water insecurity; HIV; infant and young child feeding.

CURRENT APPOINTMENTS

Northwestern University, Evanston, IL :: Anthropology & Global Health, Associate Professor— September 2019 — present; Assistant Professor — August 2016-August 2019. *Affiliations*: Institute for Policy Research Faculty Fellow; Buehler Center for Health Policy and Economics; Buffett Institute for Global Studies; Northwestern Center for Water Research; Northwestern International Institute for Nanotechnology; Program in African Studies; Third Coast Center for AIDS.

The Field Museum of Natural History, Chicago, IL :: Adjunct Curator — October 2016-present.

McGill University, Montreal, Canada :: Professor of Practice — February 2020-present.

PREVIOUS APPOINTMENTS

Cornell University, Ithaca, NY :: Department of Population Medicine and Diagnostics, Assistant Professor of Global Health and Nutrition— August 2015-July 2016; Adjunct Assistant Professor of Global Health and Nutrition— August 2016-December 2019.

Cornell University, Ithaca, NY :: Division of Nutritional Sciences, Research Scientist — July 2011-July 2015.

University of California, San Francisco :: Department of Obstetrics, Gynecology, and Reproductive Sciences, Reproductive Infectious Diseases Fellow — 2010-2011.

University of California, Davis, CA :: Department of Pediatrics, Assistant Researcher — 2008-2011.

University of California, Berkeley, CA :: School of Public Health, Assistant Researcher — 2008.

EDUCATION

Cornell University :: Ithaca, NY — 2003-2008

PhD in Nutritional Anthropology. Division of Nutritional Sciences. Chair: Gretel Pelto.

University of Amsterdam :: Amsterdam, the Netherlands — 2001-2002

MA in Medical Anthropology. Highest Honors. Advisor: Sjaak van der Geest.

Taasisi Institute of Kiswahili and Foreign Languages :: Zanzibar, Tanzania — 2000

Introduction, Intermediate, and Advanced Swahili Courses.

University of Michigan :: Ann Arbor, MI — 1995-1999

BA in Anthropology. High Honors. Secondary Level Teaching Certificate.

Katholieke Universiteit of Leuven :: Leuven, Belgium — 1996-1997

Junior Year Abroad Program through the University of Pennsylvania.

United World College of the Atlantic :: Wales, UK — 1993-1995

International Baccalaureate.

CURRENT SUPPORT

National Science Foundation (NSF) Convergence RAISE :: “Systems Approaches for Vulnerability Evaluation and Urban Resilience” — Aaron Packman (PI) & **Sera Young** (co-PI). 2018-2023 (\$1,000,000)

Northwestern University :: Provost Grants for Research in Humanities, Social Sciences and the Arts. 2022-2023 (\$5000)

National Science Foundation (NSF) :: RCN: Building a Community of Practice for Household Water Insecurity (HWISE) Research — Wendy Jepson (PI), **Sera Young** (co-PI), Amber Wutich (co-PI), & Justin Stoler (co-PI). 2018-2023 (\$355,000)

COMPLETED GRANTS AND FELLOWSHIPS

Carnegie Foundation :: “A New Way to Think About Water: Household Water Insecurity” — Sera Young (PI) 2019-2022 (\$200,000)

Crown Family Center for Jewish and Israel Studies (Northwestern University) :: “A field-ready tool to assess the health consequences of water insecurity in the West Bank” — **Sera Young** (PI) & Yaakov Garb (co-PI). 2019-2021 (\$12,000)

United State Agency for International Development Cooperative Agreement (AID-OAA-L-14-00006 via Kansas Sustainable Intensification Innovation Lab) :: How does household water insecurity relate to household water quality, food security, and COVID-infections?: Health, agriculture, and policy implications using nationally representative data — Lori Post (PI), **Sera Young** (co-PI). 2020-2021 (\$294,597)

The Nature Conservancy :: Monitoring human well-being after natural infrastructure installation: A NatureNet Fellowship — Sera Young (PI), Vidya Venkataramanan (Fellow). 2019-2021 (\$22,100)

United State Agency for International Development Cooperative Agreement (AID-OAA-L-14-00006 via Rutgers University Policy Research Consortium) :: “A novel indicator of household water insecurity and household food insecurity in East Africa: health, agriculture, and policy implications” — Lori Post (PI), **Sera Young** (co-PI) (\$200,000)

Crown Family Center for Jewish and Israel Studies (Northwestern University) :: “Simple tools to measure water insecurity in Israel: A collaboration across the social, physical, and biological sciences” — **Sera Young** (PI), Julius Lucks (co-PI), & Noam Weisbrod (co-PI). 2018-2020 (\$29,000)

Resnick Family Social Impact Fund (Northwestern University Institute for Sustainability & Energy) :: To support the Household Water Insecurity Experiences study and an urban flooding project in Chicago — **Sera Young** (PI). 2017-2020 (\$25,000)

Innovative Metrics in Nutrition and Agriculture (IMMANA) :: “A novel tool for the assessment of household-level water insecurity: scale refinement, validation, and manual development” — Sera Young (PI), Phelgona Otieno (co-I) & Amber Wutich (co-I). 2016-2018 (\$359,625)

Finite Earth:: Incorporating social science data and metrics into life cycle assessment :: — Jennifer Dunn (PI), Sera Young (co-PI). 2019-2021 (\$45,000)

McKnight Foundation :: “Singida Nutrition and Agroecology Project (SNAP)” — Rachel Bezner Kerr (PI), **Sera Young** (co-PI), & Elias Mtinda (co-PI). 2015-2019 (\$674,800); <http://bit.ly/farm4change>

National Institute of Mental Health (NIMH) :: R21 “Health Consequences of Water Insecurity for HIV+ Women & Their Infants” — Sera Young (PI) & Maricianah Onono (co-I). 2016-2018 (\$337,214)

Water Collaboration Seed Funds :: To pursue measurement of household water insecurity in Israel and Taiwan — **Sera Young** (PI) & Noam Weisbrod (co-PI). 2017-2018 (\$25,000)

Crown Family Middle East Research Travel Award :: Water Insecurity among Syrian refugees in Lebanon — **Sera Young** (PI). 2017-2018 (\$15,000)

National Institutes of Health (NIMH) :: K01 Health Consequences of Food & Nutrition Insecurity for HIV+ Women & Their Infants — **Sera Young** (PI). 2012-2018 (\$853,970)

Northwestern Institute for Policy Research (IPR) :: Support for workshop entitled “Household Water Insecurity: Measurement, Consequences, and Policy Implications” — **Sera Young** (PI). 2016-2017 (\$20,000)

Center for Water Research Conference Award :: To support the Household Water Insecurity Scale Development Workshop — **Sera Young** (PI). 2017 (\$5,000)

Buffett Conference Award :: To support the Household Water Insecurity Scale Development Workshop — **Sera Young** (PI). 2017 (\$4,000)

Northwestern Third Coast Center for AIDS Research (CFAR) :: “Coalition building between Northwestern University, Pamoja Community-Based Organization, and Kenya Medical Research Institute/Research Care and Training Program-Family AIDS Care and Educational Services” — **Sera Young** (PI), Patrick Mbullo (co-I), & Pauline Wekesa (co-I). 2016-2017 (\$5,000)

Atkinson Center for Sustainable Future Venture Fund :: A novel assay for simultaneous multiplex detection of diarrhea-causing viruses, bacteria, and protozoa in drinking water and deployment in Kenyan and Honduran households — Ruth Richardson (PI) & **Sera Young** (co-PI). 2015-2017 (\$132,558)

CARE/Atkinson Center for Sustainable Future Impact through Innovation Fund :: A pilot study of the effects of performance-based incentives on the provision of PMTCT services in Inhassoro District, Inhambane Province, Mozambique — **Sera Young** (PI) & Delphine Pinault (co-I). 2012-2014 (\$200,000)

Atkinson Center for Sustainable Future Venture Fund :: Healthy Soil + Fertile Land + Food Security — Rachel Bezner Kerr (PI), **Sera Young** (co-I), David Wolfe (co-I), & Laurie Drinkwater (co-I). 2014-2016 (\$143,344)

Seed Grants for Collaborations Between Cornell University-Ithaca and Weill Cornell Medical College Faculty :: Food insecurity as a novel diagnostic screening tool for poor nutritional and psychosocial outcomes among HIV-infected and -uninfected lactating Ugandan women and their infants — **Sera Young** (PI) & Nicole Sirotin (co-PI). 2013-2014 (\$50,000)

Cornell Population Center :: “Development of appropriate methodologies for estimating dietary intake among nutritionally vulnerable women and infants in rural and peri-urban Kenya” — **Sera Young** (PI). 2013-2014 (\$2,500)

Pears Seed Grant Program, Faculty of Medicine, Hebrew University :: Food Insecurity and Nutritional status of patients Infected with Tuberculosis and Human Immunodeficiency Virus in Gulu, Northern Uganda — Rachel Bezner Kerr (PI) & **Sera Young** (co-I). 2013-2014 (\$5,500)

National Institutes of Health (NICHD) :: P01 Novel Strategies to Prevent Malaria and Improve HIV Outcomes in Africa — 2011-2013 (sub-contract PI, \$63,700)

Campbell Foundation :: Clinical study of Flash heating breastmilk to decrease morbidity, improve growth, and reduce HIV transmission in HIV-exposed infants — Caroline Chantry (PI) & **Sera Young** (co-PI). 2010-2011 (\$50,000)

National Institutes of Health (NICHD) :: R34 Planning grant to fund the preparation of a large multi-disciplinary study of Flash-heating of breastmilk by HIV+ women to prevent mother-to-child transmission of HIV — Caroline Chantry (PI) & **Sera Young** (Co-I). 2010-2011 (\$63,700)

Thrasher Research Fund :: Early Career Award — **Sera Young** (PI). 2009-2010 (\$26,000)

American Psychological Association :: HIV Cybermentor Travel and Research Award — 2009-2011

Population Center Research Award :: UC Berkeley — **Sera Young** (co-PI). 2009

Robert Wood Johnson Foundation :: Health Disparities Small Grant — **Sera Young** (co-PI). 2008 (\$10,000)

University of California Institute for Mexico and the United States (UC MEXUS) :: Pilot grant — Lia Fernald (PI) & **Sera Young** (co-PI). 2008 (\$1,500)

University of California, Berkeley :: Professional Development Grant — 2008

Division of Nutritional Sciences Small Grant :: Cornell University — 2004, 2005, 2007

Mario Einaudi International Research Travel Grant :: Cornell University — 2004, 2005

Sigma Xi Research Grant :: Cornell University — 2004

RESEARCH AWARDS

Norman Kretchmer Memorial Award in Nutrition and Development :: **American Society for Nutrition** — 2022. In recognition of a substantial body of independent research in the field of nutrition and development with potential relevance to improving child health.

Andrew Carnegie Fellow :: Carnegie Corporation — 2019-2022

Society for Applied Anthropology :: Fellow — 2018-present

Margaret Mead Award :: American Anthropological Association and the Society for Applied Anthropology — 2013. In recognition of exemplary skills in broadening the impact of anthropology.

Dissertation Award :: Society for Medical Anthropology — 2009. In recognition of the outstanding dissertation in the field of medical anthropology.

Allan Rosenfield Scholar & New Investigator in Global Health :: Global Health Council — 2009. For outstanding research on reproductive and family health.

Distinguished Poster :: **International Congress of Nutrition** — 2009. For the poster “Flash-heating breastmilk is feasible in Dar es Salaam Tanzania”.

Sugar Award :: One Laptop Per Child — 2007. For the development of the best educational children’s software.

Rudolf Virchow Award :: **Honorable Mention : American Anthropological Association** — 2003. Presented by the Society for Medical Anthropology for advancing critical perspectives in medical anthropology.

Christine Wilson Award :: **American Anthropological Association** — 2002. Presented by the Council on Nutritional Anthropology.

Student-Intern Teacher of the Year Honorable Mention :: **State of Michigan** — 1999. For the demonstration of outstanding potential as an educator.

272. **Young, S. L.** Dogon Women's Religious Conversion: A Strategy for improved reproductive success? American Anthropological Association, Anthropology of Religion. Philadelphia, PA, April 1999. (Oral presentation.)

TRAINING

The OpEd Project :: Public Voices Fellowship — 2018-2019

National Institute of Health's Advanced Training Institute on Health Behavior Theory — Summer 2012

American Psychological Association's Cyber Mentor Program for HIV research, Committee on Psychology and AIDS — Fall 2009-Fall 2011

Dannon Nutrition Leadership Institute — Spring 2009

New Investigator in Global Health Program, Global Health Council — Spring 2009

Cells to Society Biomarker Institute, Northwestern University — Spring 2008

TEACHING

Turning your numbers into a story: A quantitative methods class, Northwestern University: Anthropology 390-0-23/Global Health 390-0-22 — Fall 2017, Fall 2018, Fall 2019, Fall 2021

Biocultural perspectives on water insecurity, Northwestern University: Anthropology 390-0-22/Global Health 390-0-253 — Spring 2018, Spring 2019, Spring 2020, Spring 2022

Ecology of Infant feeding, Northwestern University: Anthropology 390-0-32/Global Health 390-0-24 — Winter 2017, Winter 2018, Winter 2019

Undergraduate independent research, Northwestern University: Anthropology 399-0-32/Global Health 399-0-3 — each quarter Fall 2016 to present

Undergraduate independent research, Cornell University: NS 4010 - Empirical Research; BIOG 2990; BIOG 4990 — Fall 2012-2015

Community and International Nutrition Seminar Series, Cornell University: NS 6980 — Fall 2012, Spring 2013

Nutrition in Developing Countries, UC Berkeley School of Public Health: Lecturer: PH 298.41 — Spring 2008

Nutritional Problems of Developing Nations, Cornell University: Teaching Assistant: NS 306 — Spring 2004

English Literature, Special Ed, Port Huron School District, Michigan: Substitute Teacher: — Spring 2000

Secondary Level Teaching Certificate, University of Michigan, Ann Arbor: — 1999

Cultural Anthropology, Plymouth Canton High School, Michigan: Student Teacher : — Spring 1999

AP English, Cass Technical High School, Detroit, Michigan: Student Teacher: — Fall 1998

TEACHING AWARDS & HONORS

Faculty and Administrator Honor Roll :: Associated Student Government — 2019-2020. For the course "Ecology of Infant and Young Child Feeding".

Searle Fellows Program :: Northwestern University. 2017-2018. Program for learning and implementing evidence-based approaches to teaching.

Sugar Award :: One Laptop Per Child — 2007. For the development of the best educational children's software.

Student-Intern Teacher of the Year Honorable Mention :: State of Michigan — 1999. For the demonstration of outstanding potential as an educator.

GUEST LECTURES

Northwestern, 2017-2021. Guest lecture in Water in Israel and the Middle East: Resilience, Sustainability, and Security. "Water insecurity: Prevalence, security, and assessment."

Cornell University, 2012, 2014. Guest lectures in graduate courses NS 6370 Topics in Nutritional Epidemiology and NS 6140 Maternal and Child Nutrition.

Cornell University, 2012, Cornell Health International Association. "'Craving Earth: A tale of three hypotheses" University of California, Berkeley. Global Health. 2007, 2008, 2009*, 2010. *Voted by class as "favorite lecture of the semester".

STUDENTS

Doctoral students, committee chair: *Current:* Elijah Watson (Northwestern), Margaret Butler (Northwestern), Patrick Mbullo (Northwestern), *Past:* Marianne Vicky Santoso (Cornell, graduated 2019) Roseanne Schuster (Cornell, graduated in 2016), Barnabas Natamba (Cornell, graduated in 2015)

Doctoral students, committee member: *Current:* Elizabeth Koselka (Northwestern), Betty Samburu (Kenyatta University), Melissa Manus (Northwestern); *Past:* Sarah Dumas (Cornell, graduated 2017), Elizabeth Fox (Cornell, 2017), Anne Williams (University of California, Davis, 2016), Sarah Pedersen (Cornell, 2015)

Medical students: *Current:* Maya Jackson-Gibson (Northwestern); *Past:* Angela Arbach (Cornell Weill), Natalie Krumdieck (Cornell Weill), Jason Nagata (University of California, San Francisco), Alexis Steinmetz (Loyola)

Master's students: *Present:* Mira Wang, Hollyn Cetrone; *Past:* Allison Mark, Virginia Nowakowski, Shalean Collins (Tulane)

Postdoctoral associates: *Current:* Hilary Bethancourt; *Past:* Vidya Venkataramanan, Vicky Santoso, Godfred Boateng, Yolanda Brooks, Katie Fiorella, Paula Pebsworth, Aditi Roy, Emily Tuthill, Elizabeth Widen

Undergraduate students at Northwestern: Nihmotallahi Adebayo, Rahul Aggarwal, Samuel Balka, Amelia Beck, Casey Benzaken, Hollyn Cetrone, Cheryl Chen, Kathleen Clark, Jo Ann Efobi, Priyanka Garigipati, Maxime Godart, Ishani Gupta, Tracy Guo, Brooke Hassan, Jordan Harris, Lyra Johnson, Alina Junejo, Sammanvik Kangula, Aarthi Kottapalli, Amy Lin, Denise Lopez, Ashleigh Maclean, Erin McCotter, David McCuskey, Annika Mittu, Daniel Peters, Hayley Platt, Sophia Olmos, Sarah Padon, Francesca Rosen, Anna Scarbrough, Lily Settel, Revika Singh, Benjamin Thomae, Emilie Umuhire, Mira Wang, Julia Yeam

Undergraduate students at Cornell: Cedric Ahn, Chaele Arkfeld, Eleonore Baughan, Lauren Blacker, Corrine Casal, Pooja Desai, Melanie Graber, Damarys Hernandez, Josephine Hong, Jen Huang, Hijab Khan, Paige Killeala, Joanie Kim, Heather Larkin, Ann Lei, Janice Lin, Phoebe Lo, Rachel Lumish, Abena Maranga, Emily Martey, Devon McMahan, Chloe Michel, Joshua Miller, Lusine Mehrabyan, Sophie Mou, Jacqueline Rivera, Marion Robine, Keith Ryan, Evelyn Samuel, Gretchen Seim, Rie Seu, Santana Silver, Shanna Smith, Christina Son, Alexis Steinmetz, Luisa Temple, Irene Tsai, Kelechi Umoga, Shiliu Wang, Tingting Wu, Amy Zheng

FIELD RESEARCH, BY TOPIC

Food and water insecurity:

We Are Water Evanston :: Evanston, IL 2020-present

A community-based participatory research project led by Citizens' Greener Evanston to understand water insecurity and how water is valued in and around Evanston (<https://greenerEvanston.org/we-are-water>). This resulted in an 8-part series in the local paper about water in Evanston: <https://evanstonroundtable.com/2021/09/20/we-are-water-evanston-about-this-series/>

Individual Water Insecurity Experiences (IWISE) Scale :: 31 countries :: Northwestern University, UNESCO, Gallup World Poll 2019-present

A collaboration to refine and validate a scale to measure water insecurity at the individual level.

Household Water Insecurity Experiences (HWISE) Scale :: 26 sites worldwide :: Northwestern University — 2016-2019

A 28-site, multi-partner collaboration to design and refine a novel cross-culturally validated household water insecurity scale, as well as the development of a scale implementation manual (<http://sites.northwestern.edu/hwise/>).

Health Consequences of Water Insecurity for HIV+ Women & Their Infants :: Kisumu, Kenya :: Northwestern University, Kenyan Medical Research Institute, and Family AIDS Care and Education Services, — 2016-present
An observational study of the consequences of water insecurity for adverse maternal and infant health outcomes among a cohort of HIV-infected and uninfected pregnant and lactating women in western Kenya.

Singida Nutrition and Agroecology Project :: Singida, Tanzania :: Cornell University, Northwestern University, Action Aid Tanzania, Nelson Mandela Agricultural Institution of Science and Technology 2014— present
We are assessing if a participatory educational intervention about nutrition, climate change, agroecology, and gender equity that we co-created with rural farmers in E. Africa improves women's empowerment, food insecurity, and infant feeding practices in Singida, Tanzania.

Health Consequences of Food & Nutrition Insecurity for HIV+ Women & Their Infants :: Kisumu, Kenya :: Northwestern University, Cornell University, Kenyan Medical Research Institute, and Family AIDS Care and Education Services, — 2013-present

An observational study of the role of food insecurity in adverse maternal and infant health outcomes among a cohort of HIV-infected and uninfected pregnant and lactating women in western Kenya.

Food insecurity and nutritional status of patients infected with tuberculosis and HIV in Gulu, Northern Uganda (The FINITH Study) :: Gulu, Uganda :: Cornell University and Gulu University — 2013-2014
A cross-sectional study of the effects of food insecurity on disease and nutritional status among adult Ugandans infected with TB and/or HIV.

Prenatal Nutrition And Psychosocial Health Outcomes (PreNAPs) study :: Gulu, Uganda :: Cornell University and Gulu University — 2012-2015

A longitudinal cohort study of the effects of food insecurity on depression, stress, and gestational weight gain among HIV-infected and -uninfected pregnant women.

Nutrition and HIV:

PROMOTE study (Prevention of Malaria and HIV disease in Tororo) :: Tororo, Uganda :: University of California, San Francisco and Makerere University — 2011-2013
Assessing and intervening to improve nutritional and obstetric outcomes among a cohort of HIV+ women receiving anti-retroviral therapy and their HIV-exposed infants.

Feasibility and pilot efficacy of Flash heated breastmilk to reduce pediatric HIV :: Dar es Salaam, Tanzania — 2008-2011
Scientific coordinator of a multi-disciplinary study of the effects of home-based education on exclusive breastfeeding and the uptake and consequences of rapid heating of breastmilk among HIV+ women in urban Tanzania.

Program Development and Implementation Research:

Understanding the Barriers and Facilitators to Uptake, Provision, and Management of Prevention of Vertical Transmission of HIV Services in Inhassoro District, Mozambique :: Cornell University and CARE-Mozambique — 2012-2015.

A pilot intervention study to determine if performance based incentives can improve the quality of care provided to HIV-infected pregnant women.

Reaching the Hard to Reach: Documenting World Vision Haiti Mobile Clinic Best Practices :: Haiti :: Cornell University and World Vision — 2011

Determining best practices for reducing maternal anemia among rural women via mobile clinic services.

Maternal anemia care, program evaluation :: Pemba Island, Zanzibar, Tanzania : Cornell University / Zanzibar Ministry of Health— 2006

Conducted community surveys, focus group discussions and interviews with traditional and biomedical health care workers, private medicine retailers and pregnant women to understand how use of anemia medicine can be improved.

Adapting EFNEP to the changing needs of food-assistance eligible families in the era of welfare reform ::

Qualitative Researcher : **Cornell University** — 2003-2004

Conducted interviews and focus group discussions with nutritional education program staff as part of a USDA-funded multi-state research project to understand the effects of welfare reform on nutritional status and well-being.

Pica

Antojitos study, the relationship between pregnancy, pica, iron status, and cognitive function :: Salinas, California — 2008-2011

Primary investigator of a study of nutritional behaviors and beliefs, and their associations with iron status and cognitive function among pregnant Hispanic women.

Quantitative and qualitative study of non-food cravings, primary investigator :: Pemba Island, Zanzibar, Tanzania : Cornell University— 2004

Secured funding, hired, and trained Zanzibari fieldworkers to collect epidemiological data about consumption of non-food substances (pica) in 700 adults as part of a larger trial on the prevention of severe anemia (PI Rebecca Stoltzfus). Conducted in-depth interviews about pica (the cravings for and consumption of non-food substances) with community members and health care workers. Collected samples of pica substances for biochemical analysis.

Perceptions of anemia during pregnancy :: Pemba Island, Zanzibar, Tanzania : University of Amsterdam — 2002

Qualitative data was collected about the perceived causes, cures, and appropriateness of UNDP-supplied ferrous sulfate and traditional medicines for the treatment of anemia during pregnancy. Analyzed data to make suggestions about how traditional and biomedical treatments can be linked.

Other

Hospital Renovation, project manager :: Pemba Island, Zanzibar, Tanzania — 2001, 2003, 2005.

Identified areas of need, raised all funds, and oversaw renovations of Mental Hospital, Maternity Ward and Children's Ward.

"Down for the count in the Bijlmer" :: Interviewer : University of Amsterdam — 2002.

Censused and interviewed homeless people about drug use, health care, and general well-being in low-income neighborhoods in Amsterdam.

Polygyny and child mortality :: Mali, West Africa / University of Michigan — 1998.

Field manager of longitudinal biological anthropological study comparing infant mortality by family structure. Responsibilities included fieldworker hiring, anthropometry of 1000 0-5 year old children, household surveys, censusing villages, house construction, and data organization.

RESEARCH POSITIONS & CONSULTANCIES

Bangladesh Rural Advancement Committee (BRAC)— 2009

Consulting on reports from Research and Evaluation Division of BRAC.

Program for Appropriate Technology in Health (PATH), Washington DC — 2009

Advised on assessment of nutritional needs among HIV-positive pregnant and lactating Rwandan women.

Instituto Nacional de Salud Pública (INSP), Cuernavaca, Mexico — 2007

Evaluation of quantitative and qualitative data on the acceptability of micronutrient tablets, sprinkles and a fortified food to pregnant and lactating Oportunidades recipients.

University of Amsterdam — 2001-2006

Responsible for translation and text editing of dissertations, articles, and grant proposals. Converted four PhD manuscripts into books.

Kelsey Museum of Archaeology : University of Michigan— 1997-1998

Assisted with reconstruction of an ancient Greek mosaic mural, sorted and classified Etruscan coins.

Royal Museum of Central Africa : Tervuren, Belgium — 1997

Assisted with editing “Zimbabwe: Legacies of Stone Past and Present: Volume I and II”.

LANGUAGES

English : Dutch : French : Swahili

INVITED TALKS

2022 Invited briefings on the Water Insecurity Experiences (WISE) Scales to The Gap, Water.org, Multiple Indicator Cluster Survey, Heineken, Xylem, Scottish Whisky Association, Asian Development Bank, Inter-American Development Bank, BRAC, Indigo, Stone Family Foundation, UN Economic Commission for Africa, US Agency for International Development, GIZ (Deutsche Gesellschaft für Internationale Zusammenarbeit), Indonesian Ministers, World Resources Institute,

2022 Invited lectures to the Northwestern Alumni Association; University of California Davis, Department of Nutrition; Xylem Innovation Challenge; CDC’s NOPREN working group.

2021 “Conversations with the Dean” <https://news.weinberg.northwestern.edu/2021/03/25/conversation-with-dean-featuring-sera-young/>

2021 German Federal Ministry for the Environment, Nature Conservation and Nuclear Safety. Expert Roundtable “Turning the tide on data— How to collect, analyze and act on data through a multi-sector perspective?”

2020-2021 Invited briefings on the Household Water Insecurity Experiences Scale and the Individual Water Insecurity Experiences Scale to the UN’s Food and Agriculture Organization, USAID, Oxfam, REACH, the International Food Policy Research Institute, Capitol Hill, World Bank, International Water Management Institute, Reckitt Group, Danaher, Unilever, UNICEF, International Food Policy Research Institute, Global Water Partnership, UNESCO, FCDO, WaterAid, GAIN, 2030 Water Resources Group, Xylem, Millennium Water Alliance, WaterAid, Water.org, Water Keepers.

2019 Invited presentations to USAID, USDA, UK AID, Oxfam-GB, Millennium Challenge Corporation, International Food Policy Research Institute, Rotary International, and World Bank. “The Household Water Insecurity Experiences (HWISE) Scale: A cross-culturally valid tool for the measurement of water insecurity.”

University of Chicago Science Policy Group, Panel on Water Security in Chicago with MWRD Commissioner Debra Shore, 2019

Shirley Ryan “Learning for Life” Lecture, 2018.

Royal Geographic Society, London, UK, 2018. “The Household Water Insecurity (HWISE) Scale: a ‘look under the bonnet’”. Related: <https://www.rgs.org/geography/advocacy-and-impact/impact/hwise/>

University of Cape Coast, Ghana, 2018. “The links between household water insecurity and food insecurity in sub-Saharan Africa (and the story behind how this work was funded)”

United States Agency for International Development, 2017. "The Household Water Insecurity Experiences (HWISE) Scale: A cross-culturally valid tool for the measurement of water insecurity."

United Nations Commission on the Status of Women, 2017. "Food security in the first 1,000 days".

IMMANA, 2019. "A cross-culturally equivalent measure of household water security: experiences in scale development and implementation from 30 sites worldwide." <https://www.youtube.com/watch?v=juTDN7YGbCs&t=12s>

International WaTERS Webinar, 2018. "'You are alert all the time just in case you hear rumors that there is water somewhere': Lived experiences of water insecurity during pregnancy and lactation in western Kenya." <https://bit.ly/2wHr9S5>

DEPARTMENT, COLLEGE, AND UNIVERSITY MEMBERSHIPS & SERVICE

Northwestern service

Institute for Policy Research, Executive Committee— 2021-present
Undergraduate Research Programs, Review Committee— 2021-present
One Book Northwestern Committee—2021-2022
Weinberg College of Arts and Sciences Committees on Appeals — 2019-present
Tenure & Promotion Committee for Global Health — 2017-present
Program in African Studies, Executive Committee — 2017-present
Accelerated Master's in Public Health Admissions Committee — 2017-present
Global Health Curriculum Committee — 2016-present
Office of the Provost Research Networking Lunch, Co-leader — 2018-2020
Global Health Case Competition Judge — 2017

Cornell service

Cornell University :: Search Committee, Master's in Public Health Curriculum Development Committee 2016
Nutrition Graduate Student Organization :: Secretary, Social Director, Faculty Liaison, Founder and member of the Committee on Professional Development : Cornell University— 2003-2007
Academic Integrity Hearing Board :: Graduate Representative : Cornell University— 2004

COMMUNITY SERVICE

2021-present. Spearheaded the naming, renovation, and installation of a pollinator garden in Turnaround Park, Evanston. <https://evanstonroundtable.com/2021/10/03/turnaround-park-marks-the-spot/>

NATIONAL & INTERNATIONAL PROFESSIONAL SERVICE

American Society for Nutrition :: Chair, Global Nutrition Council 2020-2022; At Large Member of the Global Nutrition Executive Council 2014-2016; Graduate and Professional Education Executive Committee Member— 2006-2008

Advances in Global Health :: Associate Editor 2021-present

WHO/UNICEF JMP :: Virtual Expert Group on Enhanced Monitoring of Gender in relation to SDG WASH targets 2021

Society for Applied Anthropology :: Nominations Committee 2016-2020, Chair 2019-2020; Malinowski Award Selection Committee 2015-2020, Chair 2018-2019

NIH review panel :: PAR-DK-19-019: AIDS and AIDS-Related Research— 2020

Sir Henry Wellcome (UK):: Post-doctoral Fellowships Panel— 2020

Innovative Metrics in Agriculture and Nutrition (IMMANA) (UK):: Grant Review Panel — 2020, 2021

French National Institute for Agricultural Research :: Post Agreen Skills Fund— 2020

Household Water Insecurity Experiences-Research Collaborative Network :: Executive Committee 2018-2020, Steering Committee 2020-2022

Maternal and Child Nutrition :: Editorial Board 2017-2022

Global Food Security Strategy Working Group :: 2019. Advised the USAID Bureau for Resilience and Food Security and the Feed the Future interagency group on the Global Food Security Strategy-Refresh.

Ad hoc reviewer :: Advances in Nutrition, African Health Sciences, African Journal of Biotechnology, African Journal of AIDS, AIDS and Behavior, American Journal of Clinical Nutrition, American Journal of Human Biology, American Journal of Obstetrics and Gynecology, American Journal of Tropical Medicine and Hygiene, Appetite, Berghahn Books, BMC Breastfeeding Medicine, BMC Medicine, BMC Pregnancy and Childbirth, BMC Public Health, BMC Research Notes, BMJ Open, Clay Minerals, Climate and Development, Current Anthropology, Current Developments in Nutrition, Environmental Monitoring and Assessment, Global Public Health, Ecology of Food and Nutrition, Environmental Geochemistry and Health, Epidemiology and Infection, Evolution, Medicine, and Public Health, International Breastfeeding Journal, International Journal of Obesity, Journal of Acquired Immune Deficiency Syndrome, Journal of AIDS and Clinical Research, Journal of AIDS and HIV Research, Journal of Health, Population, and Nutrition, Journal of Nutrition, Journal of Tropical Ecology, Journal of Water & Health, Maternal and Child Health Journal, Maternal and Child Nutrition, Medical Anthropology, Medical Anthropology Quarterly, Medische Antropologie, National Research Foundation (South Africa), Nature Food, PLoS One, Population Health Metrics, Public Health Nutrition, Rural and Remote Health, Science Translational Medicine, Scientific Research and Essays, Sigma Delta Epsilon/Graduate Women in Science Fellowship, Social Sciences and Humanities Research Council of Canada, Social Science and Medicine, Swiss National Science Foundation, Texas Biomedical Research Institute, Toxicology Reports, Transactions of the Royal Society of Tropical Medicine and Hygiene, UCSF's Center of Excellence in Women's Health, Water Policy, Water Research, Yearbook of Physical Anthropology

Dannon Nutrition Leadership Institute :: President — 2015-2017; President-elect — 2012-2015; Treasurer — 2010-2012

World Food Program :: Inter-agency Task Team for Food, Nutrition, and HIV — Member 2014-2017

Food and Agriculture Organization :: High Level Panel of Experts Committee on Critical and Emerging Issues for Food Security and Nutrition — 2014

Society for the Anthropology of Food and Nutrition :: Vice-President — 2012-2014; National Meeting Program Chair — 2010-2012

One Laptop Per Child :: Co-developer of children's math game Kuku Anakula (<http://wiki.laptop.org/go/Kuku>) — 2007

Nutrition Graduate Student Organization :: Secretary, Social Director, Faculty Liaison, Founder and member of the Committee on Professional Development : Cornell University— 2003-2007

PROFESSIONAL MEMBERSHIPS & AFFILIATIONS

American Anthropological Association; American Society for Nutrition; Human Biology Association; Society for Applied Anthropology; International Society for Research in Human Milk and Lactation; Society for Implementation Science in Nutrition.
